## Donation Request Form

Each year Miller's Building Supply receives many requests for donations to very worthwhile charitable organizations and individuals. As concerned members of the community, we truly want to help support those organizations and projects that benefit the area, making it a better place for all of us to live and work.

As with any business or individual, we must budget what we can contribute to charitable causes. Although most requests are very worthy, we simply cannot afford to respond favorably to all requests. Rather, we must select those we feel are most appropriate.

In that selection process, we need to limit our contributions to: charitable, non-profit organizations whose purpose benefits the majority of the area's population without discrimination or exclusion. We ask that all who request donations from Miller's Building Supply complete the following form to help us make the best use of our available resources. Please allow us at least 15 days to consider your request.

_____
